

**Donate your Used Car
for a Good Cause!**

Hunger Action's Car Donation Program

Please consider donating your used car to Hunger Action to support our work. There's not much work involved for you. Simply call our office, we'll get the information from you, mail you the form, then someone from the Vehicle Donation Assistance Program will come pick up your car. Hunger Action will receive the donation for the amount the car is sold for and you will receive a tax deduction acknowledgement letter with the sale price. Call us at (212) 741-8192, ext 1# or 4# for more information or to start the process!
